CLEARINGHOUSE RULE 95-220

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

All of the subunits in s. HSS 122.07 (1t) should end with periods, except introductory material which ends with colons. Therefore, in s. HSS 122.07 (1t) (b) (intro.), “all of the following are true” should precede the colon; subds. 1. and 2. should end with periods. [See s. 1.03 (intro.), Manual.]

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. In the next-to-the-last paragraph of the analysis, “up to three” should replace “two or three.”

b. In s. HSS 122.07 (1t) (intro.), a comma should be inserted in the second line after the word “department” and on the third line after the word “projects.”
